

...Helping the brightest light up the world

Jóvenes Adelante, A.C. is a registered MX & a US non-profit association dedicated to providing university scholarships to academically talented and economically disadvantaged students from the San Miguel de Allende area. Since 2001 we have helped or are in the process of helping more than 70 students realize their career dreams. We hope to add 25 more in 2009. Please help us if you can. Our students are bright, hard-working, deserving young folks who need just a little financial boost. Just \$100 per month can make all the difference!
